Summary
The Bristol Fire Department responded to 162 calls for service during the month of February requiring 346 unit responses. Companies completed 47 property surveys.

Personnel
Acting Chief Poggio oversaw the Bristol Fire Department as the department moved from Chief Kolakoski’s retirement through the testing process for a new Chief. Acting Chief Poggio did an outstanding job of leading the Bristol Fire Department during this transition.

Employee Recognition
I would formally like to thank Acting Chief Poggio for his tireless work during the transition. He oversaw the continuity of the department handling several issues with the utmost professionalism.

FF Alan Rudolowicz was recognized for his efforts at a recent fire at Gaylord Towers.

FF Gary Buzzell was promoted to Fire Inspector after the retirement of Inspector Tim Callanan.

FF Kris Lambert was promoted to Fire Marshall after the retirement of Fire Marshall Robert Grimaldi

Fire Stations/Facilities
The projects for fire stations continue:

Headquarters: continues in the plan reviews with the construction documents being 90% complete,
Station 3: new AC units installed and kitchen planning continues, Station 5: continuing to work on AC issues.

Apparatus
Tower 2 returned to service and Engine 3 returned to service.

Miscellaneous
The two Instructor 1 classes were completed by members of the Bristol Fire department as well as members of local fire departments. The intention was to have these members continue to the Officer 1 class in March. However, that class has been postponed due to CornaVirus. The department participated in several STEP programs at local schools along with the Emergency Management Director. Unfortunately further classes have been postponed due to CoronaVirus.

Lastly, I apologize for the delay in this report.

Respectfully submitted:

Chief Mark Flynn

Engine 2
Monthly Report
February, 2020

Summary
Station 2 personnel spent ten hours conducting eight company surveys in the month of February. Promotional testing has concluded and normal routine is beginning again. Congratulations to all who have been and are soon to be promoted. Station 2 personnel responded to 36 calls for service in the month of February.

Personnel
Congratulations to FF Gary Buzzell who was promoted to Fire Inspector. It has been a pleasure working with him and on behalf of the crew at Station 2, best of luck in the next leg of your career with the BFD. To fill the vacancy new hire FF Deven Yudelson has joined the crew at Engine 2.

Apparatus/Equipment
Engine 2 has been running well and has had no issues in February. Two SCBA air packs were taken out of service because they were leaking air through the regulator. FET Kelly sent them out for repair. All crews went through the Haz-Mat trailer which was supplied with new level B suits.

Fire Stations/Facilities
There were no changes or repairs to the firehouse but facilities manager David Oakes is working on a new roof and ramp.

Miscellaneous
Station 2 personnel attended the Fire Board meeting at the end of the month for and awards ceremony for FF Alan Rudolowicz for his efforts at a recent fire at Gaylord Towers. Congratulations goes out to Alan and the entire crew for the job well done.

Respectfully submitted,
Captain David J. Simard
Summary
During the month of February the members of Station 3 responded to 36 calls for service. There were detector installations in residences were there was no protection. Our members familiarized themselves with 4 commercial buildings in our area this month. Now that most of the promotional studying is done we will get back on to regular work schedule.

Personnel
There has been an internal C Shift transfer affecting our Station. One of our more senior members has moved to Station 4 and our newest member has been assigned to Station 3.

Apparatus/Equipment
Engine 3 was out for service for several weeks this month, there has been a couple issues with the motor/ transmission interface which are being looked into.

Fire Stations/Facilities
The AC has been nearly complete, the installation is done and it is wired, it now needs to be started up and tested.

Miscellaneous
Nothing this month.

Respectfully submitted,
David Butkus, Captain
Summary
Engine 4 responded to 47 calls during February. Engine 4’s crews conducted 6 surveys over 3.5 hours, including apartments and commercial buildings.

Personnel
We have had a few personnel changes, as I’m sure you are aware. Some have been to advancement, others to station transfers. We here at Engine 4 wish Kris Lambert all the best in his new role in the Fire Prevention Office.

Apparatus/Equipment
We had a problem with a few pump sensors, the Fleet Maintenance Division made quick work of the project and got Engine 4 back in service.

Fire Stations/Facilities
Once again the oven has stopped working. Public works is on it and has placed an order for service to be conducted. The sprinkler system was tested and passed.

Miscellaneous
Engine Four continued to host two Fire Instructor classes during February; they have been completed.
Several companies participated in a Man in Machine drill involving some donated snow blowers. Engine 4’s crew found the hands on training very educational.

Respectfully submitted,

Todd Correll

Engine Co.5
Monthly Report
February 2020

Summary
Engine Company 5 responded to 43 calls for service for the month of February. Company 5’s surveys this month include 1 School, 3 Apartments and 1 Shopping Plaza.

Personnel
All Station 5 personnel are currently in their assigned positions.

Apparatus/Equipment
Engine 5 received new 3” hose for the hose bed, replacing some outdated hose. The truck has a few items that need repair and those repairs will be getting done in early March.

Fire Stations/Facilities
Station 5 had some HVAC repairs made this month after the system was inspected, recommendations were made to remedy the constant condensation issues that include rewrapping the ductwork insulation. This repair will be the first step in a series of suggested adjustments to try until the problem is solved. The heating system had a malfunction on February 14th that caused the heat in the dorm room stop working. We were able to override the zone valve until contractors arrived on a Monday morning to do the repair.

Miscellaneous
Several Station 5 members were hitting the text books hard this month preparing for the Lieutenants exam and Fire Marshal exam I am happy to report that two of our Firefighters made the top 5 list for Lieutenant, Firefighter A.J. Plourde at number 2 and Firefighter Steve Barnosky at number 3. On the Marshals exam A.J. Plourde ranked number 2. Congratulations to all that put in countless hours of studying.

Captain E. Scott England
Acting Chief R. Poggio
Tower 1
Monthly Report
February 2020

Summary
Tower 1 responded to 55 incidents during the month of February. Notable calls included 1 building fire and 3 motor vehicle extrications. Personnel conducted 18 surveys of various target occupancies during the month, for a total of 21 hours.

Apparatus/Equipment
Some new rope rescue equipment and a portable band saw were added to the cache of equipment on Tower 1. All of this equipment will greatly increase our rescue capabilities. Tower 2 is back in service at HQ.

Fire Stations/Facilities
Design is continuing with the upcoming renovations to fire HQ. The electronic door lock system at HQ is not working correctly and only allows access through one door. Public Works has been notified and is working with the vendor to correct the problem.
