To whom it may concern.

My name is Louie Elezovski, im writing this letter to you concerning my property 93-95 terryvile ave in bristol. It has come to my attention that the sewer bill has been grossly higher than it should be, while my water usage has been normal. I have recently had asked why and was told that the sewer bill is measured one quarter of the year. One of my apartments happend to have a leak that quarter. Which lead to the high sewer bill, but since then the leak has been fixed and water usage has returned to normal. I am still reciveing extremely high bills for the sewer. I'm asking if my sewer bill could be adjusted to reflect my current water usage. Currently my bill is over \$1000 in the past the same bill would be \$200-\$250, and to me it does not feel right. If you could please contact me at ~~(866) 222-0717~~ i would greatly appreciate it thank you.

Sincerly

Louie Elezovski, Cetka Dalipovski
