3) Old Business

- a. Review The Rockwell Park Mountain Bike Path.

Dr. Medeiros provided a memorandum from the Bristol Police Department which consisted of their recommendations for the bike trails and the street. Dr. Medeiros believes that he can find the funding for the signage by July 1st, 2019. The recommendations from the Police Department are not major concern and can be rectified relatively easy. Dr. Medeiros will work with the police in order to secure traffic signs as requested.

The Committee has decided to move forward with this plan pending approval from Corporation Counsel.

Dr. Medeiros provided a proposed plot plan for phase II of the mountain bike trails for the Commissioners review. The phase II will need to be presented to the Board of Park Commissioner's for their review and approval in the future.

4) New Business:

- a. Discuss the fee structure for fields was previously adopted for non-profit organizations and take any action as necessary.

A fee schedule was adopted for profit organizations and non-Bristol organizations of \$25.00 per practice and \$100.00 per game.

For the adult Bristol group, its proposed to charge \$25 for a field with no lights and \$35 for fields with lights.

Dr. Medeiros presented a city of Bristol Fee scheduled which was revised in April 2019. The Committee will revisit the groups such as the Forestville LL and Bristol Girls Little League (and any others) in the future to be certain the groups have signed contracts and everything is up to date.
