Commissioner O'Brien made a motion seconded by Commissioner Burns
"To approve the consent agenda and to recommend approval of this action to a Joint Meeting of the City Council and Board of Finance."

Commissioner Thibeault questioned item 3i, the excessive water/sewer usage by the Parks Department, and asked if this was due to the rate or volume and will it be a recurring issue. Chairman Smith requested this item be voted on as part of the Consent Agenda and an answer will be followed up on with the Superintendent. Commissioner Thibeault also questioned the geese management program as funds were being transferred from there to cover the overage, Mayor Zoppo Sassu stated the current dog program is not effective and they are currently looking at alternative programs.

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

5. Police Department: Approval of a bid waiver to Axon Enterprises Inc

Commissioner Thibeault made a motion seconded by Commissioner Burns
"Approval of a bid waiver to Axon Enterprises Inc to continue the body worn camera and electronic control device program at the Police Department."

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.
6. Fire Department: Approval of a bid waiver to Firematic Supply Co.

Commissioner Carrier made a motion seconded by Commissioner Thibeault
“Approval of a bid waiver to Firematic Supply Co to purchase Morning Pride bunker gear.”

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

7. Parks, Recreation, Youth & Community Services: Transfer of $15,000 from the General Fund Contingency Account

Commissioner Burns made a motion seconded by Commissioner LaMothe
“To transfer $15,000 from the General Fund Contingency Account to Community Services – Relocation and to recommend approval of this action to a Joint Meeting of the City Council and Board of Finance.”

Commissioner Thibeault questioned if funds were already transferred to this account this year, Assistant Comptroller Robin Manuele stated they were not.

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

8. Corporation Counsel Approval of two Workers’ Compensation settlements

Commissioner Jones made a motion seconded by Commissioner Burns
“To approve Workers’ Compensation settlements to Jay Kolakoski and Thomas Lavigne.”

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

9. Board of Education:
   a. Budget Update

Jill Browne gave the monthly Board of Education update, as general expenditures continue as expected in most areas in the general fund, the trend of rising special education costs continue. Additional expenditures are seen in paraeducator salaries, professional services, and district placed tuitions and out of town transportation. At the end of December, an overall deficit in special education is approximately $433,000. The current tuition deficit is $1 million. The district has collected $64,296 in revenues for rental, tuition and Medicaid and are waiting for the February installment of the Special Education Excess Cost Grant. In order to mitigate the budget deficit in special education, in early December a budget freeze was issued to all Departments to only allow for spending that directly supports curriculum or are essential items for maintenance and classroom support.
Discussion was held on Special Education, as of December 2, 2019 the prevalence rate in Bristol was 20.48% with 1,719 of 8,355 student identified as eligible for special education programming. As of January 2, 2020 the rate is at 20.57. 100 risk assessments have been conducted since August 1, 2019.

b. Additional appropriation of $30,000 within the School Capital Projects Fund

Commissioner Burns made a motion seconded by Commissioner Lamothe
"To make an additional appropriation of $30,000 within the School Capital Projects Fund funded by a Transfer in from the General Fund and to recommend approval of this action to a Joint Meeting of the City Council and Board of Finance."

Peter Fusco explained what was happening with the floor at Northeast and the need for replacement. Commissioner Thibeault stated she understood the need for the floor, but questioned the plan for what is going to happen with the schools. Discussion was held as Northeast will remain a school as it serves the needs of the community due to the size of the land and its location. The repairs that are being done now can serve the future need of the building or be repurposed.

Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

10. Comptroller’s Office:
   a. Resolution ratifying the appropriation of $2,100,000 for acquisition of Shrub Road Parcels – Open Space Grant Application and the authorization of bonds or notes to finance the appropriation

Mayor Zoppo Sassu made a motion seconded by Commissioner Lamothe
"To approve a resolution ratifying the appropriation of $2,100,000 for acquisition of Shrub Road Parcels – Open Space Grant Application and the authorization of bonds or notes to finance the appropriation and to recommend approval of this action to a Joint Meeting of the City Council and Board of Finance."

Discussion was held on the grant process and what needs to happen now. The grant application required two yellow book appraisals for the grant application. Commissioner Carrier questioned the appraisals and requested to review them. Mayor Zoppo Sassu explained the appraisals were not paid for by the City. The Environmental Learning Center paid for them and they were very difficult to obtain as there were very specific requirements and not many companies were able to satisfy them. The City had no idea how the State would rank the grant applications and requirements, and the City did not receive as much funding as originally expected. The remaining funds required to purchase the property will be bonded, as the Board of Finance approved the bond resolution back in January 2019 as a requirement of the grant application. The City has to close on the property by the end of the year to fulfill the grant requirements. Discussion was held on the purchase price of the property and some Commissioners had reservations on the purchase. Commissioner Thibeault stated although she hears the concerns of fellow Commissioners, the Board should
have raised those concerns back in January, but sees no harm in delaying the vote to let Commissioners see the appraisals.

Mayor Zoppo Sassu made a motion seconded by Commissioner Lamothe “To withdraw the original motion.”
Following a voice vote in which there was no opposition, the Chairperson declared the motion carried.

b. Transfer of $670,800 within the Capital Projects Fund funded by grant revenue
