Item 6- Ad-Hoc Committee Reports

a. Library Director’s Report

1) December statistics: Overall we saw negative numbers in circulation mainly due to having a full year with automatic renewals. The consortium was aware that this leveling off would occur one year into the program so it was expected. I have highlighted a few numbers in yellow: BPL as a borrower has decreased by 20% BPL as Lender has increased by 14%. That is a excellent trend since it means we have more items in our collection that other libraries want to borrow and we don’t need to request items for our patrons. As expected the Bristol History Room numbers show a sharp decrease since the hours have been somewhat curtailed since Jay Manawitz retired. Patron visits shows a decrease but I believe that number is incorrect. After Christopher Soper departure as Computer Lab Supervisor I have been monitoring the RFID gates and discovered a fault with the High St. Gate dating back to possibly October 2019. I am currently working to resolve the issue and hopefully will be able to retrieve any stored numbers.

2) Monthly Budget Report: Spending in all departments looks to be on track for this point in the fiscal year. January 31, 2020 we have spent:

- 71.8% @Revenue: we are running ahead of projections on printing and room rentals
- 61.5% @ Main Library:
- 94.9% @ Children’s Library:
- 67.1% @ Manross Library:
- 74.8% @ Goodsell: A complete listing of items purchased is included.
I will be meeting with the Comptroller’s staff on Wednesday, February 12, at 9:00 am to review the budget before it gets presented. The library’s budget presentation is scheduled for Thursday, February 28 at 6:00 pm.

3) Highlights of library activities:
   • The Main Library held two adult programs on Sundays and both were very well attended. The Author Reveal followed by the Gatsby Gang Concert drew 140 while the Chinese New Year celebration which was rescheduled due to bad weather had 190 in attendance. (Bristol Press articles)
   • January marks the fifth month of collaboration between the Children’s Dept. and the Bristol Boys & Girls Club—the staff have brought ART & ARTISTS themed stories & crafts to children in clubhouses at all the elementary schools.
   • Manross Library will once again be offering Homeschool Club for area homeschool families. Amazing Animals is the theme which starts in 3 weeks.

4) Personnel matters: The position of Reference Assistant has been filled. Meagan Cairns will begin on Monday, February 10. Chris Soper, Computer Lab Supervisor, has accepted a position at City Hall so we are in the process of working on an update to this job description.

b. City Council Liaison Report
