Invitation to Bid 2011-067
Permanent Patching of Utility Trenches in City Streets
Addendum 01
March 7, 2011

Please note the following changes:

Bid Proposal Form, Page BP-8; the following is added:

The Bidder further understands that work may be assigned for the period through April 30, 2012, and that the pricing offered herein shall remain firm through said date.

Special Provisions; the following is added:

Work Zone Traffic Control & Signage

Contractor shall be solely responsible to provide traffic control in accordance with "U.S. Department of Transportation Federal Highway Administration – Guidelines for Temporary Traffic Control in Work Zones". City personnel will neither certify nor determine compliance with standard. However, the contractor shall provide additional signage or controls if requested by the City, unless the contractor can demonstrate compliance with referenced standards. Failure of the contractor to provide requested signs and control will result in the City's rescission of authorization to work, and shall result in no payment.

Salt Guard Application

Contractor shall apply specified salt guard no sooner than three month from the application of the concrete curing compound. Contract retainage will not be released until application of salt guard is verified by the City of Bristol.

All other terms and conditions remain unchanged.
