

2005 PRESS RELEASES

New Mayor Seeking Names for Board and Commissions

Bristol, CT, November 23, 2005 – Mayor William T. Stortz announced today that he is seeking names for positions to city boards and commissions for his new administration. Recommendations from the public are welcome and encouraged. While appointments are made on a regular basis throughout the year,

Electronic Voting Committee Established by Mayor

Bristol, CT, Dec 9, 2005 – In a prepared statement, Mayor William T. Stortz announced the formation of a new committee to address the conversion to electronic voting. The federal government, under the Help Americans Vote Act (HAVA), has mandated the shift to electronic voting machines in time for the 2006 elections. “This will be a major change

Public Information Meeting on Brownfields Project

Bristol, CT, December 16, 2005 - In 2002, the City of Bristol initiated a Brownfields Assessment Pilot Project funded by the U.S. Environmental Protection Agency. The City hired HRP Associates, Inc. of Plainville, CT as the environmental consultant for the project. The purpose of the project was to determine the environmental quality of particular properties within

Mayor Seeking Diversity for Boards and Commissions

Bristol, CT, December 20, 2005 – Mayor William T. Stortz announced today that he continues to seek names for positions to city boards and commissions. “For a true representation of the City of Bristol, it is important that commissions and boards reflect the cultural diversity of Bristol,” said Stortz. “We know there are qualified citizens out
