New Mayor Seeking Names for Boards and Commissions

Bristol, CT, November 23, 2005 – Mayor William T. Stortz announced today that he is seeking names for positions to city boards and commissions for his new administration. Recommendations from the public are welcome and encouraged. While appointments are made on a regular basis throughout the year, early submissions will allow for greater flexibility in determining the appropriate match.

If someone is interested in applying for a position, you are asked to submit a letter of intent stating your reasons for applying and any qualifications or experience you feel you have that would be of assistance to this board or commission. As the mayor stated throughout his campaign, he is looking to expand the diversity of appointments where possible and appropriate. Please direct your correspondence to Office of the Mayor, 111 North Main Street, Bristol, CT 06010, Attention: Board and Commission Appointments.

Another campaign proposal Mayor Stortz has instituted is a new medium for contacting the mayor, directly, mayorsoffice@ci.bristol.ct.us. This newly established email address gives the public more direct access to the mayor's office and can be used for submission of names for these appointments.

Candidates will be notified of receipt of their applications. If you have any questions about board or commission appointments, please contact the office at 860-584-6250
