FOR IMMEDIATE RELEASE

Bristol, CT, February 18, 2010 – Mayor Arthur J. Ward announced today that he continues to seek names for positions to City boards and commissions. “True representation of the City of Bristol is important and I want our commissions and boards to reflect the diversity of the City,” said Ward. “We know there are qualified residents out there that can contribute to the growth and well being of our town.”

Recommendations from the public are welcome and encouraged. While appointments are made on a regular basis throughout the year, early submissions will allow for greater flexibility in determining the appropriate match. At this time we have openings on the Mayor’s Task Force on Energy Conservation, Bristol Transportation Commission, the Zoning Commission, Code Enforcement Committee, The Historic District Commission, Library Board and the Bristol Transportation Commission.

If you are interested in applying for a position, you are asked to submit a letter of intent stating your reasons for applying and any qualifications or experience you feel you have that would be of assistance to this board or commission. Please direct your correspondence to Office of the Mayor, 111 North Main Street, Bristol, CT 06010, Attention: Board and Commission Appointments.

You can also contact the Mayor, directly, by using the email mayorsoffice@ci.bristol.ct.us. This email address gives the public more direct access to the Mayor’s office and can be used for submission of names for these appointments.

If you have any questions about board or commission appointments, please contact the office at 860-584-6250.
